ACKNOWLEDGEMENT

I take immense pleasure in expressing my most sincere thanks to all the people who assisted me, guided me, and supported me throughout the course of this thesis. Their constant encouragement and belief in my work have enabled me to successfully complete this project.

I would like to extend my heartfelt gratitude to **Dr. Sapna Pappu, Principal,** Acharya's NRV School of Architecture, for her immense support, guidance, and motivation throughout this journey. I would also like to extend a heartfelt gratitude to **Ar. Abhilasha**, Professor, Acharya's NRV School of Architecture, for her invaluable mentorship, constant encouragement, and for nurturing the direction and depth of this thesis with great care.

I extend my thanks to all the Thesis Studio Faculty for their support, valuable comments, and encouragement during reviews and discussions. I would also like to thank all the reviewers and jurors, whose thoughtful feedback has helped strengthen this project immensely.

I further express my gratitude to all the faculty members and non-teaching staff of the department for their support and cooperation during this process. I thank my parents for their continuous love, strength, and moral support. Last but not the least, I extend my heartfelt thanks to all my friends who have supported me directly or indirectly in completing this work successfully.
