A CKNOWLEDGEMENT

I would like to express my heartfelt gratitude to everyone who contributed to the successful completion of my Bachelor of Architecture thesis project. Special thanks to my thesis guide Ar. Harsha P Haribal for her unwavering support, valuable insight, and constant encouragement throughout the entire journey.

I am grateful for the inspiration and knowledge gained from my professors, peers, and the broader academic community.

Finally, and most importantly, I owe heartfelt appreciation to my parents, sister and friends for their endless patience, understanding and constant moral support throughout this journey whose constant encouragement and belief in my abilities fueled my determination. This accomplishment is the result of collective efforts, and I am truly grateful for the collaborative spirit that made this thesis a meaningful and fulfilling experience. Above all, I express deep gratitude to God for His guidance, strength, and blessings.
