ACKNOWLEDGEMENT

I would like to thank god for being there throughout my thesis project.

I would like to convey my deepest gratitude to my Thesis guide, Asst. Prof. Pradipta Roy Choudhury for guiding me throughout.

I am also thankful and would like to express my sincere gratitude to the Dean Prof. Sheeraz Zaidi for his support and encouragement during Thesis work.

Thanks are due to the faculty and staff of Acharya NRV school of Architecture for their moral support and encouragement during the project work.

This work would have not been possible without the blessings and support of my parents and to my friends who did everything possible to help me and keep me calm through my thesis.
