ACKNOWLEDGEMENT

First and foremost, I offer my deepest gratitude to my guide AR. Fathima Samana,

has supported me throughout my thesis with her patience and knowledge, giving me the room

to work in my ways. I thank ma'am for her excellent guidance, care, and patience and for

providing me with an excellent atmosphere for conducting this research.

I give my heartiest thanks to my friends for boosting and supporting me throughout

the journey of the research process. They have more or less contributed to the preparation of this

thesis report. I will be always indebted to them.

I am extremely thankful to my respected Faculty Members and the institution,

ACHARYA'S N.R.V SCHOOL OF ARCHITECTURE, Bengaluru for constant guidance and

motivation to complete the work.
