## **ACKNOWLEDGEMENT**

I would like to convey my deepest gratitude to my Thesis guide, Ar. Madhan for guiding me throughout.

I am also thankful and would like to express my sincere gratitude to the Principal Prof. Ar. Sanjyot Shah for his support and encouragement during Thesis work.

This work would have not been possible without the blessings and support of my parents and especially to my siblings who gave me her laptop during my tough time.

My acknowledgement will be incomplete without mentioning the constant support of my friends Pooja, Sushanth and Nikita, who motivated me in all highs lows.

I'm thankful to Mr. Ramesh Alagesh, who gave me a good working environment. It would have been impossible to work without his guidance and support.
