ACKNOWLEDGEMENT

I would like to thank my Guide **Ar. Kusumanjali. S**, for believing in me and giving me the opportunity to work under her guidance and support throughout each step of research and design of my thesis.

I would also like to thank **Prof. Sanjyot Shah**, Principal of Acharya NRV School of Architecture and all the teaching staffs for their support and guidance through the process of my design.

I would also like to acknowledge every individual who supported and guided me for my thesis volunteers, staff members of the animal care center for providing me with all the information for developing the design without whose guidance and support, it would have not been possible to successfully complete the thesis. Finally, I would like to thank my parents, my brother and my friends for all their support.
