ACKNOWLEDGEMENT

ARCHITECTURE is a VISUAL ART and the buildings speak for themselves.

First and foremost I offer my sincerest gratitude to our Dean, Prof. Vasanth K Bhat, who gave me the golden opportunity to do this wonderful project on the topic “Film Institute and Studios”.

I would also like to thank my guide, Prof. Preeti Revankar, who has supported me throughout my thesis with her patience and experience whilst giving me the freedom to explore my design process.

I would also like to mention my regard for my proctor, Prof. Anjana Birader, who has been a source of motivation and guidance since day one.

I take this opportunity to express my honour, respect, gratitude and genuine regard to the entire department and faculty for their guidance during the Thesis, apart from being a constant source of inspiration and motivation.

Last but not the least I would like to thank my parents and friends for supporting me through my journey of Architecture and being a constant source of motivation.
