ACKNOWLEDGEMENT

I would like to express my sincere gratitude to my thesis guide, Ar. Pavithra T, for her unwavering support, guidance, and insightful feedback throughout the semester. Her expertise in architecture has been invaluable in shaping and refining my ideas for the destitute center thesis project. I am truly fortunate to have had her as a mentor, and I appreciate the time and effort she dedicated to helping me succeed in this endeavor.

I extend special thanks to Mr. Auto Raja, the founder of New Ark Mission of India, for generously sharing his profound insights and allowing me to study the destitute center under his guidance. His cooperation and valuable time contributed significantly to the depth and richness of my research. I am grateful for the opportunity to learn from his experiences and incorporate them into my architectural exploration. This thesis project has been an enlightening journey, and I am thankful for the support of both Ar. Pavithra T and Mr. Auto Raja in making it a reality.
