ACKNOWLEDGEMENT

I would like to express my deep and heartfelt gratitude to my thesis advisor, Ar. Sushma M Betgeri, for their immense help, guidance, and unwavering support throughout the entire process of researching and writing this thesis. Their expertise, dedication, and patience have been instrumental in shaping my ideas and ensuring the quality of this work I would also like to extend my appreciation to the faculty at Acharya NRV School of Architecture for their commitment to nurturing a conducive academic environment and providing me with the resources necessary for this research. Finally, I would like to acknowledge the inspiration I have drawn from the world of architecture and its development. This work would not have been possible without the contributions of all those mentioned above.

Thank you.

Nischith Urs
