## **ACKNOWLEDGEMENT**

At the outset, I extend my heart-felt gratitude and thanks to my guide Ar. Shewta Mattoo for her relentless and patient support and motivation towards me in making my research work possible. She has been a great mentor to me and each and every session of interaction with her has inculcated in me enthusiasm and confidence to advance my work in the right direction.

Throughout my research, my family, especially my parents and younger brother, played a crucial role in providing unwavering support and encouragement. I express my heartfelt gratitude to my mother, who never doubted me and accompanied me while I conducted my case studies, and my father who have always encouraged and supported me whenever I needed guidance. I shall always remain indebted to them.

Special thanks to my principal, Ar. Sanjyot Shah, for his encouragement, and my friends for their invaluable assistance in completing this project.
