ACKNOWLEDGEMENT

I'd like to express my heartfelt appreciation to everyone who helped me finish my architecture thesis. First and foremost, I would like to express my heartfelt gratitude to my thesis guide, Ar Pavithra T for her invaluable guidance, constant encouragement, and insightful feedback throughout the entire research process. The advice and encouragement were crucial in shaping the course of this thesis. I am also grateful to the faculty members of Acharya's NRV School of Architecture for their valuable input and assistance in improving the quality of this work. I appreciate my friends and family's support. I am truly grateful to everyone who has played a role in supporting me on this journey.

I would also like to extend my heartfelt gratitude to our esteemed Principal , Prof . Ar . Sanjyot Shah , for their constant encouragement and support throughout my academic journey .
