ACKNOWLEDGEMENT

I would like to express my profound gratitude to the individuals who have supported and guided me throughout my architectural thesis journey.

I would like to express my sincere gratitude to my esteemed guide, Ar. Malavika Jayachandran and Prof. Ar. Sanjyot Shah. Their invaluable guidance, unwavering support, and insightful critiques have been instrumental in shaping this architectural thesis. Their expertise and patience have been invaluable throughout the process.

I am deeply indebted to my family for their constant encouragement, love, and sacrifices. Their belief in me has been my greatest source of motivation. I would also like to thank my friends for their support, companionship, and understanding.

I am grateful to Prof. Ar. Sanjyot Shah, Principal of ACHARYA'S NRV SCHOOL of Architecture, for providing me with the opportunity to pursue this architectural thesis. His mentorship and the resources provided by the institution have been essential to the successful completion of this project.

Lastly, I appreciate the guidance, knowledge and support by other faculties, which have been valuable in completing this thesis.

Thank you.

ANNEXURE I

TABLE OF CONTENTS
